I have been a member of the credit union for 10 years now. The credit union has always been there if I had questions, needed advice or a last resort loan to save the day.

Most recently, the credit union saved one of the most important days of my life, my wedding day. The seamstress I took my dress to lost my dress five weeks before the big day. Having a wedding on a budget did not leave room for a second wedding dress. I called the credit union, talked to Connie, and within an hour I had the money in my account to get a new dress. That night I bought a new dress that is accounted for in alterations and will make my day perfect.

Thank you Connie and thank you to the credit union that has been with me for years!
