

How to Play COPFCU Coin War Game

1. Print and cut out COPFCU Coin War cards. Laminate if desired.
2. Anyone may deal first. Divide the deck evenly with each player receiving 26 cards, face down.
3. Each player turns up a card at the same time. The player with the higher card takes both cards and puts them, face down, on the bottom of their stack.
4. If the two cards have the same amount, it is “War.” Each player sets out three of their cards and flips over the fourth card on top. Whoever’s card has the higher amount gets to keep all of the cards. If the two cards are again of the same rank, another war ensues until the cards are of differing rank. The winner takes all cards played in the War.
5. The game ends when one player has won all the cards.
